STIPULATION AND ORDER  
LEVYING A FINE

**STIPULATION BY AGENT**

Peter Arkley, ("licensee") hereby stipulates to the payment of a fine in the total amount of \$ 250 based on the following facts which are hereby acknowledged. Licensee further stipulates and agrees that he will comply with Washington insurance laws and regulations in the future.

1. The Commissioner sent licensee written inquiries on April 22, and August 28, 2003, and February 17, 2004. These inquiries related to the business of insurance. Licensee did not respond to any of them. Each such failure to respond promptly in writing violated RCW 48.17.475. These failures prompted the issuance of an order to revoke licensee's license effective April 19, 2004.

2. Licensee submitted a letter, received June 16, 2004, disclosing the information that had been requested in the previous three letters. As a result of this contact, an agreement was reached to pay the fine in lieu of revocation.

The licensee has engaged in practices that are not in accord with the standards set out in the insurance code of Washington. Accordingly, the licensee enters this Stipulation to the following Order voluntarily and with the understanding that such fine is in lieu of any suspension or revocation of the licensee's license for such conduct. The facts described above, and the fact of this stipulation, may be considered by the Commissioner in any future administrative actions regarding licensee.
